

## Insurance

International students must have appropriate and current Health and Travel insurance while in New Zealand because

- a) Most international students are not entitled to publicly funded health services while in New Zealand. If you receive medical treatment you will be liable for the full cost of that treatment. Further information is available at [www.moh.govt.nz](http://www.moh.govt.nz)
- b) Accident Compensation Corporation provides cover for New Zealanders in the case of an accident. However this does not apply to visitors who will be required to pay for any costs. Further information is available at [www.acc.co.nz](http://www.acc.co.nz)

Devonport Primary School offers two companies products

+ Unicare [www.unicare.co.nz](http://www.unicare.co.nz)

+ Southern Cross [www.southerncross.co.nz](http://www.southerncross.co.nz)

If students purchase insurance elsewhere, the school is required to check the insurance is current and meets Code of Practice requirements of an A from Standards and Poors or B+ from AM Best office.
