Welcome to the DPS School Community, whether you are new or an old hand we hope you will all pitch in for our annual School Fair. This is our most important fundraiser for the year. All of our children benefit from the efforts of those who give freely of their time to make this event a success. It is also a 'must go to' event for the area and hundreds of people come to share the afternoon with their families.

This year the focus of funds will be directed to support the Board of Trustees proposed building project aimed at providing arts and music spaces for the School. We are totally dependent upon the support of all the school's community in donating their goods, talents and time .

And if you're new its a great way to get to know your neighbours. There's nothing like a good old chat while sorting goods in the School Hall, or manning a busy stand on the day. So let's get in behind the committee and put up your hand to help out. It's always true that many hands make light work.

So a big thanks to all those who have already come to join our team, but there's still plenty of jobs to be allocated:

We will be looking for help with the following things:

- Class Reps (just Mr Robinson and Mr Tilby's classes need coordinators)
- Sponsors
- Donations of goods
- Items for Silent Auction
- Workers before and on the day

The next Fair Committee meeting will be :

7:30pm

Monday 13th February

School Staff Room

Check out next week's newsletter for the list of what stalls/games your class group will be running on the day.
